

Info Day on Transport

Date : September 17, 2009
Venue : Central Road Research Institute, Delhi-Mathura Road, New Delhi
Organizer : EUINEC (CSIR)

EUINEC (CSIR) is organizing an info day with focus on Transport. The objective of this event is to inform potential researchers about FP7 and open Transport Calls for Research Proposals under the 'Co-operation' Programme.

European Commission Officials, Scientists, Technologists and Experts from Indian R&D organization will join the event. The talks to be delivered will cover a variety of domains, international cooperation and funds available for projects alongwith European partners. On one hand, the European experts will give an overview of FP-7, selection process and keys of converting ideas into successfully funded research projects, on other hand, Indian peers will cover Indian transport scenario and associated R&D challenges and opportunities.

The event will be beneficial for those actively involved in R&D and R&D management in the areas related to transport viz. researchers, academicians, engineers, S&T administrators working in industry, government agencies and regulatory bodies. The participants will get an inclusive understanding of the FP7 program of EU.

There is no registration fee for this event and anyone involved in formulation and/or implementation of projects in various R&D areas can participate in this event. Please note that the availability is limited and registration ends at 50 participants.
