Response to Queries/Suggestions from Bidders w.r.t. Prebid Meeting for Vehicle Mounted FWD

Bid Reference : बड सं या/Bid Number: GEM/2025/B/6757395

S. No.	Query/Suggestion	CRRI Response	
AIMIL Ltd			
1.	Declaration Certificate – As per the vehicle supplier the commercial diesel vehicle is not allowed to register at delhi Kindly Advise. If the vehicle is allowed, then we require a declaration letter/Authorization letter from CRRI along with the address proof (Electricity Bill & GST Certificate) to complete the registration process of the vehicle.	It is pertinent to mention that the vehicle should be registered under private category. The requisite documents/Support can be provided to the bidder, as per requirement.	
2.	Bid Submission Date – This is to inform you that due to the upcoming festival holidays from 18.10.2025 to 26.10.2025, most of our employees will be on leave. In view of this, we kindly request you to extend the bid submission date and allow us to submit the bid till 15.11.2025.	The bid will be extended after making the necessary amendments. The more details will be available on GEM portal.	
3.	Instrument Delivery Period – Due to the holidays followed by Christmas & New Year, our principal Dynatest will be closed from 20.12.2025 to 10.01.2026. In view of this, we kindly request you to extend the delivery period by 90 days.	Due to several constraints, it is not possible to extend the delivery period.	
M/s Int	ellitest Solution Pvt Ltd		
1.	We suggest offering bidders the option to choose between a vehicle-mounted FWD and a trailer mounted FWD machine. The contract can then be awarded to the L1 (lowest) bidder, regardless of the chosen configuration.	CRRI requirement is for vehicle mounted FWD and therefore, the same has been indented. Kindly bid for the same.	
2.	CRRI has been using FWD and HWD systems for the past 3–4 decades, we believe you are best positioned to evaluate and decide on the most suitable configuration. Additionally, considering the Indian Government's policy to transition a majority of its vehicle fleet to electric vehicles by 2030, and the increasing availability of EV options, this could be an important factor in your decision-making process.	Any suitable vehicle shall be considered by the bidder provided it is meeting the requirements as given in the technical specification.	
Coact Solutions Pvt Ltd			
1.	D) Vehicle Specification, Point 8 The vendor must handle vehicle registration, insurance, and provide 24 months insurance for the entire setup (FWD equipment including vehicle). Please specify the type of insurance (e.g., comprehensive, third-party) and minimum coverage amounts (e.g., for theft, damage, liability).	The insurance type should be comprehensive.	
2.	D) Vehicle Specification, Point 1 We recommend the Tata Winger Diesel as the suitable vehicle for mounting the FWD equipment. However, given the Delhi RTO's ban on diesel vehicle registrations, we need to confirm the feasibility of the following:	It is pertinent to mention that the vehicle should be registered under private category. The requisite documents can be provided	

As per the Vehicle specification it's conveyed that Vehicle to be equipped with Airbags, However for the proposed Tata Wingler doesn't comes with the Airbags from the OEM "TATA" itself, while rest all shall be complied. Request you to kindly provide relaxation on the same. 4. As Per the GCC of the Contractual clause 2.16 Delivery & Due to several constrain it is not possible to exter the dolivery period. Be done in 60 days for INR purchase can the same be amended to 90 days. Complete Instrumentation Solutions Pvt Ltd 1. As per the bid document, the Warranty period of the supplied products shall be 1 years from the date of final acceptance of goods or after completion of installation, commissioning & testing of goods (if included in the scope of supply), at consignee location. However, in the technical specification document, the asked warranty period of the supplied product is 24 months. Please clarify, if we need to consider the warranty period as mentioned in the technical specification document (24 months). 2. The delivery period of the product as mentioned in the					
ii) CRRI shall assist the vendor to obtains special permission from the RTO authorities, subject to their acceptance for registration of special purpose vehicle 3. D) Vehicle Specification, Point 3 As per the Vehicle specification it's conveyed that Vehicle to be equipped with Airbags, However for the proposed Tata Wingler doesn't comes with the Airbags from the OEM "TATA" itself, while rest all shall be complied.
