**NOTICE**

**ADVT. NO. CRRI/02/PC/JSA-JST/2025**

With reference to the CSIR-CRRI Advt. No. CRRI/02/PC/JSA-JST/2025, this office is receiving various queries/requests for extending the last date of online application / fee submission date due to candidate's inability to submit the online application form due to various reasons.

In this regard, kind attention is invited towards Para 13(b) and Para 13(i) of the Advertisement, which states the following:

***Para 13(b): Candidates are advised to submit Online Application Form well in advance, without waiting for the last date/time to apply. CSIR-CRRI will not be responsible for non-submission of application form and/or payment of application fee, for any reason whatsoever.***

***Para 13(i): Candidates are advised in their own interest to submit the online application much before the closing date and not to wait till the last date to avoid the possibility of disconnection/inability or failure to login to the CSIR-CRRI website on account of heavy load on the website during the closing days.***

Besides, the candidates were given adequate time (i.e. more than 30 days) to apply for the posts. At no point, during the application period, the server was down or operating at a reduced speed. The registration process was functioning smoothly and without any interruptions. With regard to payment-related issues, it is clarified that multiple external factors could contribute to payment failures at the candidate's end. These may include, but are not limited to, internet connectivity problems at the candidate's side, issues with the candidate's bank or the merchant bank, problems related to the browser being used, or technical interruptions during the transaction process.

In view of the above, it is informed to all the concerned that the request for extension of last date of online application / fee submission cannot be acceded to. Accordingly, all the representations/queries received are stand disposed of. No further queries/representations in this regard will be entertained.

This issues with the approval of the Competent Authority, CSIR-CRRI.
